Activities

Excel is a very popular college because we always have interesting, fun activities where students can mix together and use their English. Here is what we plan next February.

Desk Calendar 2010

Have you got your Excel desk calendar yet? If you haven't and would still like one, let us know and we will get it to you. Then you can think of us every day!

Busy!

This month we have five different class levels working hard and we host visiting student groups from Japan and Korea. They are here to learn some English and have a memorable New Zealand summer experience.

“
I've really had a wonderful time at Excel. When I first came here I couldn't speak English at all, but I've had really good and funny teachers and I've met a lot of friends that are really kind to me. I will always remember my time here. Thank you very much.”

In this great country and this school I really enjoyed with my Family - the Staff”
